

Target Market Determination

Version 1 dated October 2021

This Target Market Determination (TMD) has been prepared in accordance with the *Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019* and associated Regulations. TMDs are designed to assist issuers to ensure that financial products they issue are likely to be consistent with the *likely objectives, financial situation and needs* of the consumers for whom they are intended (the target market) and to assist distributors to ensure that financial products are distributed to the target market.

The TMD is general in nature and should not be construed as financial advice. Consumers should obtain independent advice prior acquiring the product to ensure that it is appropriate for their particular objectives, financial situation and needs.

Classes of consumers for who the product may not be suitable

This product may not be suitable for consumers who:

- do not meet the eligibility requirements;
- have less than a 20% deposit not including government costs;

Distribution Distribution conditions Conditions The following distribution channels and conditions have been assessed as being appropriate to direct the distribution of the product to the target market: Channel Conditions Direct - by phone Only authorised staff are permitted to assist consumers with this product. Authorised staff have the necessary training, skills and knowledge to assess whether the consumer is within the target market. Third party - Accredited All applications submitted by accredited mortgage mortgage brokers subject brokers must comply with our policies and to Best Interests Duty procedures issued to accredited brokers from (BID) and related time to time. Accredited mortgage brokers are obligations subject to a higher duty under BID to ensure that the Product is in the best interests of the particular consumer. The distribution channels and conditions are appropriate because: the product has a wide target market; our distributors have been adequately trained to understand their DDO obligations; we rely on existing distributors, methods, controls and supervision already in place: our approval system has controls in place to flag applicants who may be outside the target market; accredited mortgage brokers are subject to a higher duty under BID to ensure that the product is appropriate for the particular consumer: Review The following review triggers would reasonably suggest that the TMD may no longer be appropriate: **Triggers** A significant dealing of the product to consumers outside the target market occurs: A significant number of complaints are received from customers in relation to the product; A significant number of defaults occur; There is a material change to the product or the terms and conditions of the product. Review First review date: 1 October 2021 **Periods** Periodic reviews: at least every 12 months from the initial review and each subsequent review.
