

# **Target Market Determination**

#### **Version 1 dated October 2021**

This Target Market Determination (TMD) has been prepared in accordance with the *Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019* and associated Regulations. TMDs are designed to assist issuers to ensure that financial products they issue are likely to be consistent with the *likely objectives, financial situation and needs* of the consumers for whom they are intended (the target market) and to assist distributors to ensure that financial products are distributed to the target market.

The TMD is general in nature and should not be construed as financial advice. Consumers should obtain independent advice prior acquiring the product to ensure that it is appropriate for their particular objectives, financial situation and needs.

Target Market	Description of target market  The features of this product have been assessed as meeting the likely objectives, financial situation and needs of consumers who:  • meet the eligibility criteria; • require a loan to purchase, refinance or construct an owner occupied or investment residential property; • require the flexibility of a variable interest rate; • want the option of either principal and interest or interest only (available for investment residential properties only) repayments; • require the option of consolidating debts; • may want access to other optional features and benefits (such as linked offset account); • may have experienced a life event with adverse credit history who may not qualify for an alternate loan product: and • may be borrowers aged 60 or over (subject to adequate security) who may not qualify for an alternate loan product.  Whilst variable interest rates may fluctuate, the product meets the likely objectives, financial situation and needs of consumers in the target market because it allows them to make additional repayments and/or deposit funds into an offset account to reduce interest payable whilst retaining the ability to draw on those funds when required.  Owner Occupied Residential Property  This product allows consumers to finance the purchase, refinance or construction of an owner occupied residential property with the ability to select principal and interest repayments in order to reduce the overall debt and build equity or interest only whilst constructing.

# Distribution Conditions

#### **Distribution conditions**

The following distribution channels and conditions have been assessed as being appropriate to direct the distribution of the product to the target market:

Channel	Conditions
Direct – by phone	Only authorised staff are permitted to assist consumers with this product. Authorised staff have the necessary training, skills and knowledge to assess whether the consumer is within the target market.
Third party – Accredited mortgage brokers subject to Best Interests Duty (BID) and related obligations	All applications submitted by accredited mortgage brokers must comply with our policies and procedures issued to accredited brokers from time to time. Accredited mortgage brokers are subject to a higher duty under BID to ensure that the Product is in the best interests of the particular consumer.

The distribution channels and conditions are appropriate because: the product has a wide target market; our distributors have been adequately trained to understand their DDO obligations; they rely on existing distributors, methods, controls and supervision already in place; our approval system has controls in place to flag applicants who may be outside the target market; accredited mortgage brokers are subject to a higher duty under BID to ensure that the product is appropriate for the particular consumer; Review The following review triggers would reasonably suggest that the TMD may no **Triggers** longer be appropriate: A significant dealing of the product to consumers outside the target market occurs; A significant number of complaints are received from customers in relation to the product; A significant number of defaults occur; There is a material change to the product or the terms and conditions of the product.
